

Restless Mind

I don't know what's going on exactly.

One way streets, and they're all pointed at me.

Silent lies, and I'm gettin' jumpy.

Hold on tight, 'cause this just might get bumpy.

Too much time, and I'm not feelin' too strong.

Restless mind, I've been awake too long.

Two steps back, and only one that's forward.

One bright light, yeah and I'm goin' toward it.

Too much time, and I'm not feelin' too strong.

Restless mind, I've been awake too long.

Two steps back, and only one that's forward.

One bright light, yeah and I'm goin' toward it.
